The Honorable Michael Froman
United States Trade Representative
Executive Office of the President
600 17th Street NW
Washington, DC 20508

Dear Ambassador Froman:

As you are aware, legislation allowing the President to fast track trade deals like the Trans-Pacific Partnership and the Transatlantic Trade and Investment Partnership is pending in the House of Representatives. I would like to support fast track legislation, but before I cast my vote I need answers to the following questions:

- 1) Do the Administration's trade negotiations include language or any provisions related to climate change or related topics?
- 2) Do the Administration's trade negotiations include language or any provisions related to population control, family planning or related topics?

Please answer these questions and provide to me the Administration's policies on including these topics in trade negotiations.

Given the urgent nature of this matter, I request a reply no later than the close of business June 9, 2015. Thank you for your prompt response.

Sincerely,
